Wires from personal accounts aren't eligible for intermediary bank instructions. If necessary, we'll choose an intermediary bank to make sure this wire reaches your recipient's bank.

Dates funds are available to recipient Sep 20, 2019

Wire amount to send \$9,200.00 USD (U.S. Dollars)

Estimated other fees \$20.00 USD (U.S. Dollars)

Estimated total wire to recipient \$9,180.00 USD (U.S. Dollars)

The estimated other fees come from the bank where you are sending your wire. These are charged to the recipient and may vary based on the wire amount you send. If you'd like to change the "Estimated total wire to recipient" choose "Edit" to update the wire amount.

We'll process your wire the same business day if we receive it before 4PM ET. If we receive your request after that time, we'll process it the following business day.

Before they are sent, wire transfers go through an internal review process, and in some cases we may need to contact you to verify your request. After we've sent the wire, the receiving bank may have its own review process, which could further delay delivery.

International wires are typically available to the recipient within 3-5 business days after being sent.
